FORERUNNER OF

Few realize what a deep-seated, obstinate disease Catarrh is, regarding it as a simple inflamentation the nose and throat, little or no attention is given it. But, however insignificant it may seem at the

The foul secretions entering the circulation poison the entire system. The stemach, bidneys fact all the organs—feel the effect of this catarrhal poison, and when the lungs are reached in rapid and destructive, and finally ends in consumption. is rapid and destructive, and finally ends in consumption.

It frequently happens that the senses of hearing and smell are in part or entirely lost, the odd the nose eaten into and destroyed, causing intense suffering and greatly disfiguring the face. While washes and salves may give temporary relief, no permanent benefit can be expected from such tree.

and far beyond the reach of mere local remedies. Those who rely upon them for a cure lose valuable time, me pointment and allow the disease to take firmer hold. Only a real blood remedy can reach this troublesome and day far beyond the reach of mere local remedia. Only a real blood remedy can reach this troublesome and dangerous atment and allow the disease to take firmer hold. Only a real blood, purifies it, makes it rich and healthy, stimulates of S. S. S. cures Catarri because it first cleanses and builds up the blood, purifies it, makes it rich and healthy, stimulates of S. S. S. cures Catarri because it first cleanses and thus relieves the system of all poisonous accumulations. puts new life into the sluggish worn-out organs, and thus relieves the system of all poisonous accumulations.

Mrs jossphine Polbill, of Due West, S. C., writes: "I had Catarrh, which became so deepseated that I was entirely deaf in one ear, and all inside of my nose, including part of the bone,
cloughest off. When the disease had gone this far the physician gave me up as incurable. I
determined to try S. S. S. as a last resort and began to improve at once. It seemed to get at the
seat of the disease, and after a few weeks' treatment I was entirely cared, and for more than
seven years have had no sign of the disease."

S. S. S. is made of roots, herbs and barks of wonderful tonical and purifying properties. It is the only vegetable blood purifier known, and a certain and safe cure for all blood troubles. Send for our book on Blood and Skin Diseases, and at the same time write our physicians about your case. They will cheerfully give you any information or advice wanted. We make no charge for this.
